SLK_____

Humility is a spiritual virtue that is well-practiced. But, sometimes, holy boasting is good for the community of believers. Sometimes we need to remind ourselves of the good things that we have accomplished as a community of faith that is "Saved by Grace. Called to Worship. Sent to Serve." So, this month, I am leading us in a celebration of faithfulness and in an offering of praise and thanksgiving for the ways in which our congregation is making "good news" in our ministries! This perfectly appropriate for Lent because Lent is a time of remembering our baptismal promises to: "live amidst God's faithful people," "bring people to the world of God and the holy supper," "proclaim Christ through word and deed," and "to care for others and the world God made." Our ministries are focused on fulfilling our baptismal call to discipleship. Lent is also a time of renewal in faith and springtime for our souls. Thus, this is a perfect time to celebrate the new things springing up in our life together and in which we are renewing our congregational life, worship, and service.

- **Mission Endowment Fund:** Our congregation is making a real difference in Barry County. Generally, twice a year funds are disbursed to support a variety of community philanthropies to carry out their missions of help and hope in our community. Some of the philanthropies that we have supported include: Glastonbury Hall Chaplaincy @ WMU; Green Gables Haven; Sportsmen's Outreach; Safe Harbor; Barry Community Foundation-CASA for Kids, Inc.; ELCA Living Waters Ministries; Barry County Cares; Barry Free Clinic; Blankets for Babies; Blessing of the Backpacks; and many more organizations that support and bless our community and larger world. In 2014 alone, the MEF distributed approximately $5,000 in financial support of our community through partnering with local charitable ministries.
- **Worship:** I am so thankful for our Worship Committee [which includes Worship Art] for the time and talent they share with us in selection of hymns, thoughtful and faithful consideration of how and why we worship, and the bridge that each member is between Christian tradition and liturgical renewal and innovation. The Worship Committee is a model of flexible and collaborative leadership and a group willing to dive in and explore how we can practice and grow our faith through the weekly order of worship [e.g., ELW purchase; Stay With Us, Lord Lent liturgy; children's praise at the close of service; pulpit exchange with Zion Lutheran; healing service lay preachers; testimonials]. Our worship art is a window into meditation and a physical as well as visual experience of our liturgical seasons.

  A special thank you to all of our choirs, vocalists, and musicians who share their time and talents to help us hear the Word of God through the wonderful gift of music! And to our puppeteers, dramatists, and dancers for bringing us the word through your artistry!
- **Evangelism:** Evangelism Committee is on fire! I give thanks for the inspired leadership of this group of lay ministers. Presently the Evangelism Committee is reading together: *Reviving the Congregation: Pastoral Leadership in a*

Life Together

Lenten Wednesday Worship Focus:
Life Together: The Classic Exploration of Faith in Community by Dietrich Bonhoeffer
From the book cover: *Life Together* is Bonhoeffer's inspiring account of a unique fellowship in an underground seminary during the Nazi years in Germany. It reads like one of Paul's letters, giving practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and

Christian service is treated in simple, almost biblical, words. *Life Together* is bread for all who are hungry for the real life of Christian fellowship.

Evening Worship Themes [Worship begins at 7 PM]:

February 25 – Chapter 1: Community
March 4 - Chapter 2: The Day with Others
March 11 - Chapter 3: The Day Alone
March 18 - Chapter 4: Ministry
March 25 - Chapter 5: Confession & Communion

Members of the congregation are encouraged to purchase the book and read along chapter by chapter each Wednesday. The book may be purchased from AugsburgFortress.org for $10.40 + tax, shipping & handling.

Lenten Suppers begin at 6:00 pm on the following dates: March 4th, March 11th, March 18th and March 25th.

Wednesday Lenten Dinners are not a "fundraiser." Each meal is provided for free. Goodwill offerings are welcomed by the hosts to support their ministry.

Encouragement and Mentoring

Proverbs 22:6
Train a child in the way he should go, and when he is old he will not depart from it.

I remember the first crush that I ever had…Miss Fletcher. She was the new 1st grade teacher at rural Dudley Elementary School and I was all of 11 years old in the 5th grade just beginning to notice girls. This was a Bo Derek moment, if you remember the movie "Ten". That was short lived as I was bussed off to Junior High School the next year and on to more adventures in the big city.

At the time I was growing up, our home was considered as being in the country. We watched the city slowly move outward and it wasn't long before a small housing development popped up nearby. Much to my surprise, I was re-acquainted with Miss Fletcher, who was now Mrs. Stucky. Well, long story short, Arnie and Lucy Stucky became my surrogate parents. My father worked a lot and was not around as much as he wanted to be. I had four sisters bugging me non stop, so I took any opportunity to slip away and hang out with the Stucky's.

What I remember the most about my friends is that they were always encouraging, goal oriented, patient and had a "can do" attitude…everything you expect life long educators to emulate. Arnie and Lucy were both intimately involved with many children beyond their own and generous with their time and talents. Together they defined other centered.

I had the privilege of visiting with Miss Fletcher and her family last winter after nearly 45 years without contact. We met at her cabin on Cedar Creek that she and Arnie built when I was a kid. I remember helping with construction many times on day trips to their property. Lucy sat me down and asked me what I have done with my life and wanted to know all about my family. She was the same look you in the eye, sincere and spunky lady that I remember in my youth. I am reminded of her friendship and inspiration in Philippians 1:3 – I thank my God in all my remembrance of you.

Lucy succumbed to ALS-Lou Gehrigs disease on January 27 about a year after losing her husband Arnie to cancer. As sad as life can be, I think that times like these should remind us to be thankful and slow down and contemplate what is really important in our lives. As partial lyrics to Abraham, Martin and John say, "it seems the good they die young, you know I just looked around and their gone…."

God's peace
Mark

NEW NUMBER

"Chris Bush's phone number has been changed, from her landline to her cell number. Ask Chris if you need that number."

Middle School Youth

Besides meeting every other Sunday for food, fellowship, faith-formation, and fun, the Middle School Youth Group is planning several additional activities for March.
- Have breakfast for dinner at the March 11 Lenten meal, 6 PM. We'll be serving up several breakfast entrees and splitting your freewill offering between an outing later this spring and a charitable cause.
- For our meeting on Sunday, March 22, we will meet at Mark and Jana Bishop's house, 2-5, to watch "God Is Not Dead," sure to spur some great discussion!
- Two of our 8th graders, along with 1 or 2 adult leaders, will be participating in the ELCA National Youth Gathering in Detroit in July. We are preparing for this big event with training materials sent by the ELCA. Stay tuned for more, and thank you for your continued spiritual and financial support! (There's still honey left for sale, for our fundraising! See the table in the fellowship hall!)

The Bro☩hers of Grace

Our next meeting will be March 3rd. All men 18 and older are invited to come. The meeting will be held off site. Please look for additional information in our worship bulletin.
Worship at the Barry Count Jail is scheduled for

March 22nd. There is a signup sheet on the BOG board. Please check your schedule and see if you can help us with this important mission.
We are planning a trip to see a **Tigers game** on Saturday, May 9th, as a part of the **Home Plate Ministry**. The Home Plate ministry includes a pre-game program where professional base ball players share their personal faith stories. The pre-game program starts at 9:30 AM and the Game follows at 1:05PM. Ticket prices are $32 for everything, the program, game tickets, and a food voucher. There is a signup sheet on the BOG Board. Please sign up if you are interested. We will need to purchase tickets by March 16th, so we will need a count of people attending by then. Once we have the count we will finish the planning of the trip and transportation.

March Education

The Easter Egg Hunt will take place on Sunday, April 5, 2015 at 9:30 a.m.
Traci Wales will lead the children in the Egg Hunt in the church if it is cold outside.
All Grace youth and their friends are welcome to share in the Easter Sunday fun.

The Sunday School Teachers have been very dedicated in sharing the Christian faith with their youth every Sunday. Thank you Sunday School teachers for all you do.

Plans for Vacation Bible Experience need to take place soon. We will need many Grace members and friends to make this occur for our youth. Committee members are needed to discuss VBE. Please let Lorraine Freedlund know if you would be able to be on this committee.

Also, I would like to form a sub-committee to brain-storm varying ideas in educating our youth in their Christian faith. The world is a technological place to live in now.
What do we need to do to keep our youth involved and growing in their faith?
Please let me know any of your ideas and feelings.

It takes a community of people to inspire and encourage a child. Tell a child how glad you are they came to church.

Blessings each day, Lorraine Freedlund

Evangelism News

The evangelism committee met on February 16. We will now begin reading and discussing "Reviving the Congregation" by Michael Foss. Pastor Foss is a bestselling author with extensive experience in congregational life and leadership. Watch for further updates on his perspectives on evangelism for today's church.

We are working on final updates to the yard sign projects. The signs will include a qr code so interested people can directly link to Grace through cell phones. Hopefully the code will be able to present the new Grace Brochure. Plans are to have the signs ready to use when the weather gets warmer.

We again discussed the possibility of a car show event for August or September. Doug Neeb attended the meeting and shared ideas for us to consider. We want to pick a day that does not interfere with other local area car shows and events. We would like to include hot dogs and other snacks along with possible music. We will need to recruit volunteers to make this event possible. Look for more news as planning continues.

We welcome anyone interested in sharing ideas or insights to attend the next meeting in March.

March gracegram - Sarah Circle & WELCA article (submitted by Kay Howell)

Recent funeral luncheon were held for Dan Kane's family in November, and for George Ulrich's family in January. There were also Advent suppers held. All these have come within a short amount of time. These committees have all come together.

There isn't a meeting for Sarah Circle in January or February, but everyone is involved with each of these committees.

The luncheon count from Dan Kane's funeral was around 100 people, and there was a lot of help provided, with the addition of Pastor Mike Kemper as dish washer. Pastor Kemper also helped as a dish washer during Advent suppers.

The luncheon count from George Ulrich's funeral was at least 125, again with a lot of people pitching in, including Pastor Paul Kuhlman as dish washer. Joe Longcor and Russ Trongo were mechanics who fixed the coffee pot and the juice dispenser. Keep the faith! It is very rewarding and fun when all the worrying, the shopping, phone calls, etc, all come together. Sometimes you can worry about all the work, but it somehow all turns out. Thanks to all of those who helped in any way!

Jane Kemper - salad
Linda Trongo - Jello, cookies and picked up groceries
Phyllis Lietz - cake
Karen Halstead - cake & Jello
Jan Schreiner - cheesy potatoes & cake
Gwen Hansen - cake

We had: 8 cakes
2 cookie plates
4 pasta salads
4 Jello

Family brought in 4 cakes as well. Mary Rider was the caller on the phone.

Russ & Linda Trongo and Kay Marsh will be the committee chairs for funerals. Thanks be to God! They will need assistance. As we all know, many hands make for light work.

Thank You

Sincere thanks for the Family Fare gas card.

Pastor Amy's article continued:

Changing Context to help ground and guide our evangelical outreach ministries. I give praise for the heart of faith and spirit of discipleship that moves this group to help us "make Christ known" in our community! This faithful band has taken Grace and faith to the streets with Holley Trolley and Faith & Art Walk and devotional booklets! We thank them for creating our Grace Lutheran Church wordle outside Pastor Amy's office and an awesome new GLC brochure! Look out for more great new ministries coming out of this evangelism faith-in-action tank!

- **Youth:** The miracles this committee has created: reactivation of God's Children/Little Angels and Middle School Youth Group! Encouragement and sustaining of our High School Youth Group! Inter-denominational community in faith through High School Youth group! Trunk or Treat outreach event! Annual participation in the Synod Youth Gathering! Fundraising for National Youth Gathering! The feet of this group are burning with the Holy Spirit and leading our youth to know God the Father, Jesus the Christ, and the Holy Spirit. Puppet Praise Ministry during Advent, Lent, and VBE! Kudos to all our Youth leaders for the time and talent they invest in our youngest disciples!
- **Property:** I think that there must be some callouses on these hands from working so hard for the people of Grace in service to God! Construction of the pole barn; light replacement; outlet repairs; reorganization of staff offices; sanctuary reorganization; snow removal for sanctuary exit path; fixing the base plate for the entry doors; and so much more that gets done quietly and without any heraldry! All this on top of the projects recently accomplished: spire removal; tree removal; insulation installation; attic clearing project; cleaning of air ducts; purchase of a new HVAC system; new sanctuary fire exit door; cleaning and organization of kitchen; purchase and installation of outdoor lights; purchase and installation of safety glass for cry room. The ministers of our property work diligently and often behind the scenes to keep our worship facility in good repair.

- **Stewardship:** Our ministers of finance have been faithful and proactive in caring for our financial resources. The time and talent of our financial ministers have enabled us to carry out our mission to worship and serve through lowering our mortgage rate by 2.1% [which will be paid off in 9 years]; conducting an annual audit of our financial records; contracting with an accountant to assure tax code compliance and maintain financial precision; development of a fundraising policy; increasing the transparency in the annual budget planning process; and taking steps of faith in allocating our resources to our various ministries.
- **Altar Guild:** Our behinds the scenes crew that keep worship running smoothly through communion table preparation and clean-up, changing the chancel paraments, washing sacrament linens and robes, etc. Ministry enhancements from this group of faithful disciples includes: Education, purchase, and consecration of the pouring chalice; installation of a drip guard to the hanging Advent wreath [thank you to our handyman!]; recycling of the plastic individual communion cups; new Christmas paraments [thanks to Worship Art Committee]; lowered wall candle shelves for easier lighting by acolytes.
- **Technology:** George has blessed us with better sound through the purchase of headworn wireless microphones for worship leaders and increased staff efficiency through the upgrade of all staff computer systems to Windows 7 and Office 2013.
- **Education:** Our Education team is working to make faith formation fun! We are looking to grow faith through fun and fellowship with technological curriculums that facilitate faith conversations rather than lecture-style format. Sunday School is now a time of interactive learning with our new Activate and Holy Moly Curriculums! Adult Sunday School class is growing in faith and participants with exciting, facilitated conversation. Our Outreach Vacation Bible School 1-Day Event with Puppet Praise Ministry has been well–received by leaders and youth; First Communion and acolyte training; various styles of Christmas programs; Sunday Nursery Attendant ministry; reactivation or Jesus' Birthday Party and our Green Gables Haven Collection as a means honoring the Holy Innocents.

  Although not technically under the Education umbrella, I also lift up for praise our Women of Faith book discussion group, WordWatchers prayer and support group and Bookies. These groups provide faith and fellowship, often with food and fun that bless the lives of those who participate as well as those who are prayed for by these groups.

- **Congregational Care Committee:** This committee is made up of a team of shepherds who pray for our flock here at Grace. These faithful disciples keep us all in the loop through reminder phone calls/updates about worship services. They also keep contact with sheep through calls, postcards, and cards. New Members receives a basketful of goodies from the congregation that is facilitated by the Congregational Care Committee. Our shepherds deliver prayer shawls to those who are ill – each prayer shawl is prayed over as it is being knitted or crocheted. This ministry is our ministry of internal care and concern and we thank them for their acts of encouragement and relational support.

  While not technically under the umbrella of Congregational Care, our Funeral Luncheon Committee is a blessing to our members who are grieving. Their ministry of food preparation and service to families following a funeral is a ministry of consolation and hospitality. Thank you to everyone who supports the Funeral Luncheon Committee through providing salads, appetizers, side dishes, and desserts.

- **Council/Executive Committee:** Our congregational leaders have brought us many blessings through their time, thoughtfulness, and discernment. We have begun to offer Council Orientation with each election of Council members; implementation of a parliamentarian at annual meetings has helped our meetings be more fruitful and efficient; new policies help us live together faithfully such as: Sexual Abuse & Misconduct Policy [adopted] and Adult Volunteer Guidelines [almost there!]; creation of a new staff evaluation form and position descriptions; reintroduction of annual staff evaluations; increased transparency &

accountability in communication; recruitment and hiring of new staff; constitutional revision process in progress [Grace has been recognized by the Synod Constitution Committee as a model congregation in our constitutional revision process]; exploration of Mutual Ministry Committee. Our council members are faithful leaders who have blessed our congregation through their administrative discussions, processes, and actions.

- **Vision Team:** This team has undertaken a monumental research effort to get us to the present Vision Plan. The Vision Team has met with outside advisors such as Pat Dever of ELCA Mission Investment Fund and Jack Eggleston – Director of Evangelical Mission seeking information, feedback, and counsel. The Vision Team organized a congregation wide liturgical retreat and follow up sessions with Christine Reinhard; we have considered national, synodical, and local demographic statistical data. The result of time spent on research, discussion, and reflection has been: a new mission statement; development and initial implementation of our Vision Plan; installation of diaper changing station in nursery; recommendation to Stewardship Committee to refinance mortgage through Mission Investment Fund; trial of coffee at entrance of church; trial of handbells in rear of church; trial of moving musical instruments from fire exit side to pulpit side. Our Vision Team and Vision Plan has moved us from talk to action in doing the mission of God through Grace Lutheran Church!
- **Sarah Circle:** Sarah Circle has continued to be an active organization of our Lutheran women. Sarah Circle has long embraced faith, food, fellowship, and fun. The Sarah Circle conducted a survey a few years back that led to structural reorganization of the group to a rotational leadership format with increased focus on program development. The Sarah Circle has sponsored the Thanks for Giving Sunday and an inter-congregational social event with the women of Zion Lutheran Church. One of the most exciting programs offered was Travis Williams' program on the Outdoor Discovery Center Macatawa Greenway including close up encounters with a live Great Horned owl and Peregrin falcon.
- **Brothers of Grace [BOG]:** Brothers of Grace engage in acts of service on behalf of members of our congregation and community. Our men have helped with yard clean-up and other home-help projects as well as member transportation to worship. Community services includes regular ministry leadership at Barry County Jail and Adopt-a-Highway clean-up. A new ministry of BOG is the DVD Ministry which has blessed shut-ins and rehabilitating members. New social ministry events have included a visit to the Air Zoo & Hockey Night. I give thanks for the spirit of faith and service of our men! The Holy Spirit is certainly inspiring this group into new ministries of blessing!
- **Social Activities:** Our Social Activities group is in the process of keeping some oldie but goodie activities on our fellowship calendar as well as launching some new social activity events. Fellowship is a key component of discipleship and I give thanks for the way that our Social Activities Committee draws us together to get to know one another and enhance our bonds of faithful friendship with one another.
- **Indoor Décor:** Another quietly active group. These disciples help us make the journey through the church year with their sanctuary adornments above our windows. These artistic disciples also create a welcoming atmosphere through their Fellowship Hall centerpieces and entryway decorations.

We have so many active and faithful ministries hear at Grace! I have already run long here; so please excuse my closing with these 16 ministries. ALL ministries and lay ministers of Grace are a blessing and gift to our congregation and community!

In Great Thanksgiving for the People and Ministries of Grace,
Pastor Amy
